About Me

I was born in Bryan, Ohio, and have since moved to several different states due to my father's career in the Army. My hobbies include sports, music, reading, video games, and military history. My dad is a Major currently attending the School of Advanced Military Studies (SAMS) at Fort Leavenworth, Kansas. My mother is a social worker for the Army Community Service program at Fort Leavenworth. I have a younger brother, Clay, and a younger sister, Delaney. Both attend MacArthur Elementary School. My family will soon be moving back to Fort Campbell, Kentucky, where my dad will be back with his previous unit, the 5th Special Forces Group.

Military Experience/Goals

- 1 year of J.R.O.T.C. experience
- Certified L.I.N.E.S. Combatives Instructor

I plan on commissioning as an active duty Infantry Officer in 2014. I hope to attend several schools in the coming summers to include Airborne and Air Assault. Upon commissioning I hope to go to Ranger School and hopefully eventually be assigned to a Ranger Regiment for my first few years in the Army. I hope to also apply and be accepted for the Special Forces Qualification Course, and serve as a Captain on a Special Forces team for a few years. I plan on making a career as an officer serving at least 20 years.
