- Army 10-Mile Team

## About Me

I enjoy playing sports and watching them. I love soccer, volleyball, basketball, tennis, and running. My family is awesome-both of my parents served in the Army, and both of my older sisters are currently attending KU. One is in their ROTC program and my oldest is in graduate school. I've lived in several places being a military brat and love meeting new people.

## Military Experience/Goals

My future goals are to graduate from the School of Business at KSU and become a commissioned officer in the Army. The Medical Service Corps has my interest as of now.
